

The choice is CLEAR and SIMPLE.
Rinse-o-matic® Blender Container Rinsers
from Vita-Mix® rinses effectively
in seconds.

Lower electricity
bills. Operates
entirely on cold
water pressure.

No hand wash.
Rinses effectively
in seconds.

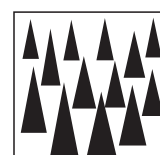

Lower water bills.
No constant drip
into dirty containers
stacked in the sink.

Powerful spray
head rinses with
7 times more
force than the
competition.

No tools are
required to install
the Rinse-o-matic.

Famous high
volume chains that
blend hundreds of
drinks a day rely on
the Rinse-o-matic.

Less mess. Less time. Less water.

Thousands of chains, restaurants, coffee shops, and smoothie shops
have found a faster, easier way to rinse. Why not join them?

Durable,
nonabrasive
polyethylene
fibers resistant
to shedding.

Perfect for high
volume coffee
and smoothie
shops, restaurants
and bars.

No hand wash.
Scrubs tough
ingredients
effectively
in seconds.

No scratching
or marring of
containers.

Guaranteed free
from defects in
material &
workmanship
for 90 days.

Vita-Mix
Container Brush
will scrub many
manufacturers'
containers.

Resistant to breaking, the soft fibers bend
to the shape of the container and around
the blades to scrub even the most hard
to reach places.

Save Your Containers!

Scrub them with the Vita-Mix® Container Brush. Tough enough to
scrub 1,000,000 containers. Gentle enough not to scratch!
